- 2.3 The Consultants should familiarize themselves with the local conditions and take them into account in preparing their Proposals, including attending a pre-proposal conference if one is specified in the **Data Sheet**. Attending any such pre-proposal conference is optional and is at the Consultants' expense.
- 2.4 MESPT will provide, at no cost to the Consultants, the inputs, relevant project data, and reports required for the preparation of the Consultant's Proposal as specified in the **Data Sheet**.

## 3. Conflict of Interest

- 3.2 The Consultant has an obligation to disclose to MESPT any situation of actual or potential conflict that impacts its capacity to serve the best interest of MESPT. Failure to disclose such situations may lead to the disqualification of the Consultant or the termination of its Contract.
- 3.3 Without limitation on the generality of the foregoing, and unless stated otherwise in the **Data Sheet**, the Consultant shall not be hired under the circumstances set forth below:
  - i) *Conflicting Activities*  
Conflict between consulting activities and procurement of goods, works or non-consulting services: a firm that has been engaged by MESPT to provide goods,

works, or non-consulting services for a project, or any of its Affiliates, shall be disqualified from providing consulting services resulting from or directly related to those goods, works, or non-consulting services. Conversely, a firm hired to provide consulting services for the preparation or implementation of a project, or any of its Affiliates, shall be disqualified from subsequently providing goods or works or non-consulting services resulting from or directly related to the consulting services for such preparation or implementation.

*ii) Conflicting Assignments*

*iv) Others*

Any other types of conflicting relationships as indicated in the **Data Sheet**.

#### **4. Unfair Competitive Advantage**

- 4.1 Fairness and transparency in the selection process require that the Consultants or their Affiliates competing for a specific assignment do not derive a competitive advantage from having provided consulting services related to the assignment in question. To that end, MESPT shall indicate in the **Data Sheet** and make available to all Consultants together with this RFP all information that would in that respect give such Consultant any unfair competitive advantage over competing Consultants.

#### **5. Corrupt and Fraudulent Practices**

- 5.1. Consultant firms or any of its members shall not be involved in corrupt, coercive, obstructive, collusive or fraudulent practice. Consultant firms or any of its members that are proven to have been involved in any of these practices shall be automatically disqualified and will not be awarded a contract.

#### **6. Collusive practices**

- 6.1. Any Consultant found to have engaged in collusive conduct shall be disqualified from the bidding process.
- 6.2. In further pursuance of this policy, Consultants shall permit and shall cause their agents (where declared or not), subcontractors, sub-consultants, Consultants, suppliers, and their personnel, to permit MESPT to inspect all accounts, records and other documents relating to any short-listing process, Proposal submission, and contract performance (in the case of award), and to have them audited by auditors or compliance officers hired by MESPT.

6.3. Bidders shall also be required to adhere to the MESPT Code of Conduct.

## **7. Eligibility**

- 7.1. In selection of consultants, short-listing shall be composed of firms or individuals who belong to the same line of professional business and who are almost of the same capability.
- 7.2. Unless otherwise specified in the **Data Sheet**, MESPT permits Consultants including proposed experts, joint ventures and individual members from all countries and categories to offer consulting services. The maximum number of members so far JV shall be specified in the **Data Sheet**.
- 7.3. MESPT's Employees, their Spouses, Child, Parent, Brothers or Sister. Child, Parent, Brother or Sister of a Spouse, their business associates or agents and firms/organizations in which they have a substantial or controlling interest shall not be eligible to tender or be awarded a contract.
- 7.4. It is the Consultant's responsibility to ensure that it's Experts, joint venture members, Sub-consultants, agents (declared or not), sub-contractors, Consultants, suppliers and/or their employees meet the eligibility requirements.

## **B. Preparation of Proposals**

## **8. General Considerations**

- 8.1. In preparing the Proposal, the Consultant is expected to examine the RFP in detail. Material deficiencies in providing the information requested in the RFP may result in rejection of the Proposal.

## **9. Cost of Preparation of Proposal**

- 9.1. The Consultant shall bear all costs associated with the preparation and submission of its Proposal, and MESPT shall not be responsible or liable for those costs, regardless of the conduct or outcome of the selection process. MESPT is not bound to accept any proposal and reserves the right to annul the selection process at any time prior to Contract award, without thereby incurring any liability to the Consultant.

## **10. Language**

- 10.1. The Proposal, as well as all correspondence and documents relating to the Proposal exchanged between the Consultant and MESPT shall be written in the English language.

## **11. Documents Comprising the Proposal**

- 11.1. The Proposal shall comprise the documents and forms listed in the **Data Sheet**.
- 11.2. The Consultant shall furnish information on commissions, gratuities and fees, if any, paid or to be paid to agents or any other party relating to this Proposal and, if awarded, Contract execution, as requested in the Financial Proposal Submission Form.

## **12. Only One Proposal**

- 12.1. The Consultant (including the individual members of any Joint Venture) shall submit only one Proposal, either in its own name or as part of a Joint Venture in another Proposal. If a Consultant, including any Joint Venture member, submits or participates in more than one proposal, all such proposals shall be disqualified and rejected. This does not, however, preclude Sub-consultant, or the Consultant's staff from participating as Key Experts and Non-Key Experts in more than one Proposal when circumstances justify and if stated in the **Data Sheet**.
- 12.2. Members of a joint venture may not also make an individual Proposal, be a subcontractor in a separate proposal or be part of another joint venture for the purposes of the same Contract.

## **13. Proposal Validity, Availability and Substitution of Key Experts**

- 13.1. The **Data Sheet** indicates the period during which the Consultant's Proposal must remain valid after the Proposal submission deadline.
- 13.2. During this period, the Consultant shall maintain its original Proposal without any change, including the availability of the Key Experts, the proposed rates and the total price.
- 13.3. If it is established that any Key Expert nominated in the Consultant's Proposal was not available at the time of Proposal submission or was included in the Proposal without his/her confirmation, such Proposal shall be disqualified and rejected for further evaluation and may be blacklisted by MESPT.
- 13.4. MESPT will make its best effort to complete the negotiations within the proposal's validity period. However, should the need arise, MESPT may request, in writing, all Consultants who submitted Proposals prior to the submission deadline to extend the Proposals' validity.
- 13.5. If the Consultant agrees to extend the validity of its Proposal, it shall be done without any change in the original Proposal and with the confirmation of the availability of the Key Experts.
- 13.6. The Consultant has the right to refuse to extend the validity of its Proposal in which case such Proposal will not be further evaluated.
- 13.7. If any of the Key Experts become unavailable for the extended validity period, the Consultant shall provide a written adequate justification and evidence satisfactory to MESPT together with the substitution request. In such case, a replacement Key Expert shall have equal or better qualifications and experience than those of the originally proposed Key Expert. The technical evaluation score, however, will remain to be based on the evaluation of the CV of the original Key Expert.
- 13.8. If the Consultant fails to provide a substitute Key Expert with equal or better qualifications, or if the provided reasons for the replacement or justification are unacceptable to MESPT, such Proposal will be rejected.
- 13.9. The Consultant shall not subcontract the whole or part of the Services without reasonable justification and written approval of MESPT.

#### **14. Clarification and Amendment of RFP**

14.1. The Consultant may request a clarification of any part of the RFP during the period indicated in the **Data Sheet** before the Proposals' submission deadline. Any request for clarification must be sent in writing, or by standard electronic means, to MESPT's address indicated in the **Data Sheet**. MESPT will respond in writing, or by standard electronic means, and will send written copies of the response (including an explanation of the query but without identifying its source) to all Consultants. Should MESPT deem it necessary to amend the RFP as a result of a clarification, it shall do so using the procedure described below:

- a. At any time before the proposal submission deadline, MESPT may amend the RFP by issuing an amendment by standard electronic means. The amendment shall be sent to all invited Consultants and will be binding on them. The Consultants shall acknowledge receipt of all amendments in writing.
- b. If the amendment is substantial, MESPT may extend the proposal submission deadline to give the Consultants reasonable time to take an amendment in to account in their Proposals.
- c. The Consultant may submit a modified Proposal or a modification to any part of it at any time prior to the proposal submission deadline. No modifications to the Technical or Financial Proposal shall be accepted after the deadline for submission.

#### **15. Preparation of Proposals–Specific Considerations**

15.1. While preparing the Proposal, the Consultant must give particular attention to the following:

- 15.1.1. If a consultant considers that it may enhance its expertise for the assignment by associating with other consultants in the form of a Joint Venture or as Sub-consultants, it may do as long as only one Proposal is submitted. A Consultant cannot associate with shortlisted Consultant(s). When associating with non-shortlisted/non-invited firms in the form of a joint venture or a sub-consultancy, the shortlisted/invited Consultant shall be a lead member. If shortlisted/invited Consultant associates with each other, any of them can be a lead member.
- 15.1.2. MESPT may indicate in the **Data Sheet** the estimated amount or Key Experts' time input (expressed in person-month), or MESPT's estimated total cost of the assignment, but not both. This estimate is indicative and the Proposal shall be based on the Consultant's own estimates for the same. This clause shall not apply when using Fixed Budget selection method.
- 15.1.3. For assignments under the Fixed-Budget selection method, the estimated Key Experts' time input shall not be disclosed. Total available budget, with an indication whether it is inclusive or exclusive of taxes, is given in the **Data Sheet**, and the Financial Proposal shall not exceed this budget.
- 15.1.4. Key Experts shall not appear in more than one proposal unless so allowed in the **Data Sheet**. Invited firms must confirm and ensure their Key experts do not appear in proposal of other invited firms, otherwise proposals with Key experts appearing in other proposals will be rejected.

## **16. Technical Proposal Format and Content**

- 16.1. The Technical Proposal shall be comprising the documents listed in the **Data Sheet**. The Technical Proposal shall not include any financial information. A Technical Proposal containing material financial information shall be declared non-responsive.
- 16.2. Consultant shall not propose alternative Key Experts. Only one CV shall be submitted for each Key Expert position. Failure to comply with this requirement will make the Proposal non-responsive.

## **17. Financial Proposal**

- 17.1. The Financial Proposal shall list all costs associated with the assignment, including (a) remuneration for Key Experts and Non-Key Experts, (b) reimbursable expenses indicated in the **Data Sheet**. Irrespective of the consultant selection method, any Consultant that does not submit itemized and priced financial proposal, or merely refers MESPT to other legal instruments for the applicable minimum remuneration fees shall be considered non-responsive.

### **a. Price Adjustment**

- 17.2. For assignments with a duration exceeding 12 months, a price adjustment provision for foreign and/or local inflation for remuneration rates may apply if so, stated in the **Data Sheet**.

### **b. Taxes**

- 17.3. The Consultant and its Sub-consultants and Experts are responsible for meeting all tax liabilities arising out of the Contract unless stated otherwise in the **Data Sheet**. Information on taxes in Kenya is provided in the **Data Sheet**.

### **c. Currency of Proposal**

- 17.4. The Consultant may express the price for its Services in the currency or currencies as stated in the **Data Sheet**. If indicated in the **Data Sheet**, the portion of the price representing local cost shall be stated in Kenya Shillings.

attached to the Technical Proposal.

18.3. A Proposal submitted by a Joint Venture shall be signed by all members so as to be legally binding on all members, or by an authorized representative who has a written power of attorney signed by each member's authorized representative.

18.4. Any modifications, revisions, interlineations, erasures, or overwriting shall be valid only if they are signed or initialed by the person signing the Proposal.

## **19. Sealing and Marking of Proposals**

19.1. The firm shall submit the Proposals as per the instructions indicated in the **Data Sheet**.

19.2. The Proposal or its modifications must be received by MESPT not later than the deadline indicated in the **Data Sheet**, or any extension to this deadline. Any Proposal or its modification received by MESPT after the deadline shall be declared late and rejected, and promptly returned unopened.

## **20. Confidentiality/Canvassing**

20.1. From the time the Proposals are opened to the time the Contract is awarded, the Consultant should not contact MESPT on any matter related to its Technical and/or Financial Proposal. 22.2. The Consultant is not permitted to alter or modify its Proposal in anyway after the proposal submission deadline. While evaluating the Proposals, the Evaluation Committee will conduct the evaluation solely on the basis of the submitted Technical and Financial Proposals.

Only the Financial Proposal of the technically top-ranked Consultant is electronically opened by the opening committee. All other Financial Proposals shall not be opened. When the selection is based on the SSS method and if the invited Consultant meets the minimum technical score required passing, the financial proposal shall be opened and the Consultant invited to negotiate the contract.

#### **24.3. Financial Proposals for QCBS, FBS, LCS**

Following the ranking of the Technical Proposals, and after internal approvals, MESPT shall simultaneously notify in writing those Consultants whose Proposals were considered responsive to the RFP and TOR, and that have achieved the minimum qualifying technical score, advising them the following: (i) their Proposal was responsive to the RFP and TOR and met the minimum qualifying technical score; (ii) provide information relating to the Consultant's overall technical score, as well as scores obtained for each criterion and sub-criterion; (iii) their Financial Proposal will be opened electronically and notify them of the results of opening of the Financial Proposals.

#### **24.4. Opening of Financial Proposals**

MESPT shall open the financial proposals and record the names of the Consultants, and the overall technical scores of the Consultants. The Financial Proposals will then be inspected to confirm that they have remained encrypted and unopened. These Financial Proposals shall be then opened, and the total prices recorded. Copies of the record shall be sent to all Consultants who submitted Proposals.

### **25. Correction of Errors**

25.1. Activities and items described in the Technical Proposal but not priced in the Financial Proposal, shall be assumed to be included in the prices of other activities or items, and no corrections are made to the Financial Proposal.

25.2. Time-Based Contracts-If a Time-Based contract form is included in the RFP, in case of discrepancy between (i) a partial amount(sub-total) and the total amount, or (ii)between the amount derived by multiplication of unit price with quantity and the total price, or (iii) between figures and words, the latter will prevail. In case of discrepancy between the Technical and Financial Proposals in indicating quantities of input, the Technical Proposal prevails and MESPT's evaluation committee shall correct the quantification indicated in the Financial Proposal so as to make it consistent with that indicated in the Technical Proposal, apply the relevant unit price included in the Financial Proposal to the corrected quantity, and correct the total Proposal cost.

25.3. Lump-Sum Contracts - If a Lump-Sum contract form is included in the RFP, the Consultant is deemed to have included all prices in the Financial Proposal, so neither arithmetic corrections nor price adjustments shall be made. The total price, net of taxes specified in the Financial Proposal shall be considered as the offered price.

### **26. Taxes**

26.1. All taxes are deemed to be included in the Consultant's financial proposal as separate items, and, therefore, considered in the evaluation.

26.2. All local identifiable taxes levied on the contract in voices (such as sales tax, VAT, excise tax, or any similar taxes or levies) and income and withholding tax payable to Kenya on the remuneration of non-resident Experts for the services rendered in Kenya are dealt with in accordance with the instructions in the **Data Sheet**.

## **27. Conversion to Single Currency**

27.1. For the evaluation purposes, prices shall be converted to a single currency using the selling rates of exchange, source and date indicated in the **Data Sheet** in instances where Bidders are allowed to quote in other currencies other than Kenya Shillings.

## **28. Abnormally Low Prices**

28.1. An Abnormally Low Price is one where the financial price, in combination with other constituent elements of the proposal, appears unreasonably low to the extent that the price raises material concerns with MESPT as to the capability of the Consulting firm to perform the Contract for the offered price.

28.2. In the event of identification of a potentially Abnormally Low Price by the evaluation committee, MESPT shall seek written clarification from the firm, including a detailed price analyses of its price in relation to the subject matter of the contract, scope, delivery schedule, allocation of risk and responsibilities and any other requirements of the RFP document.

28.3. After evaluation of the price analyses, if MESPT determines that the firm has failed to demonstrate its capability to perform the contract for the offered price, MESPT shall reject the firm's proposal.

## **29. Abnormally High Prices**

29.1. An abnormally high price is one where the proposal price, in combination with other constituent elements of the proposal, appears unreasonably too high to the extent that MESPT is concerned that it (MESPT) may not be getting value for money or it may be paying too high a price for the contract compared with market prices or that genuine competition between consultants is compromised.

29.2. In case of an abnormally high tender price, MESPT shall make a survey of the market prices, check if the estimated cost of the contract is correct, and review the RFP to check if the specifications, TOR, scope of work and conditions of contract are contributory to the abnormally high proposals. MESPT may also seek written clarification from the Consultants on the reason or the high proposal price. MESPT shall proceed as follows:

- i) If the proposal price is abnormally high based on wrong estimated cost of the contract, MESPT may accept or not accept the proposal depending on MESPT's budget considerations.
- ii) If specifications, TOR, scope of work and/or conditions of contract are contributory to the abnormally high proposal prices, MESPT shall reject all proposals and may re-invite for proposals for the contract based on revised estimates, specifications, TOR, scope of work and conditions of contract.

29.3. If MESPT determines that the Proposal Price is abnormally too high because genuine

competition between consultants is compromised (often due to collusion, corruption or other manipulations), MESPT shall reject all Proposals and shall blacklist the firms that engaged in the vice.

### **30. Combined Quality and Cost Evaluation**

#### **a. Quality and Cost Based Selection (QCBS) Method**

30.1. In the case of Quality and Cost Based Selection (QCBS), the total score is calculated by weighting the technical and financial scores and adding them as per the formula and instructions in the **Data Sheet**. The Consultant that achieves the highest combined technical and financial score will be notified and invited for negotiations.

#### **b. Fixed Budget Selection (FBS) Method**

30.2. In the case of FBS, those Proposals that exceed the budget indicated in the **Data Sheet** shall be rejected. MESPT's evaluation committee will select the Consultant with the highest-ranked Technical Proposal that does not exceed the budget indicated in the RFP, notify and invite such Consultant to negotiate the Contract.

#### **c. Least Cost Selection (LCS) Method**

30.3. In the case of Least-Cost Selection (LCS), MESPT's evaluation committee will select the Consultant whose Proposal is the lowest evaluated total price among those Proposals that achieve the minimum technical score required to pass, notify the Consultant and invite the Consultant to negotiate the Contract.

#### **d. Combined Technical and Evaluation Report**

30.4. The evaluation committee shall prepare a combined technical and financial evaluation report, with specific recommendations for award or otherwise and subject to the required approvals within MESPT prior to notifications and invitation of Consultant for negotiations.

### **31. Notification of Award**

31.1. MESPT shall send to each Consultant (that has not already been notified that it has been unsuccessful) the Notification of Award of the Contract to the successful Consultant.

#### **D. NEGOTIATIONS AND AWARD**

32.2 The evaluation committee shall prepare minutes of negotiations that are signed by the Chief Executive Officer and the Consultant's authorized representative.

### **33. Availability of Key Experts**

33.1. The invited Consultant shall confirm the availability of all Key Experts included in the

Proposal as a pre-requisite to the negotiations, or, if applicable, a replacement. Failure to confirm the Key Experts' availability may result in the rejection of the Consultant's Proposal and MESPT proceeding to negotiate the Contract with the next-ranked Consultant.

- 33.2. Notwithstanding the above, the substitution OF Key Experts at the negotiations may be considered if due solely to circumstances outside the reasonable control of and not foreseeable by the Consultant, including but not limited to death or medical incapacity. In such case, the Consultant shall offer a substitute Key Expert within the period of time specified in the letter of invitation to negotiate the Contract, who shall have equivalent or better qualifications and experience than the original candidate.

#### **34. Technical negotiations**

- 34.1. The technical negotiations include discussions of the Terms of Reference (TORs), the proposed methodology, MESPT's inputs, the particular conditions of the Contract, and finalizing the "Description of Services" part of the Contract. These discussions shall not substantially alter the original scope of services under the TOR or the terms of the contract, lest the quality of the final product, its price, or the relevance of the initial evaluation be affected.

#### **35. Financial negotiations**

- 35.1. The financial negotiations include the clarification of the Consultant's tax liability in Kenya (foreign consultants) and how it should be reflected in the Contract. All applicable taxes shall be itemized separately and included in the contract price.
- 35.2. If the selection method included cost as a factor in the evaluation (that is QCBS, FBS, LCS), the unit rates and the total price stated in the Financial Proposal for a Lump-Sum contract may be negotiated.
- 35.3. Where QBS methods was used for a *Lump-sum Contract* as indicated in the RFP, the unit rates negotiations may take place, especially when the offered Key Experts and Non-Key Experts' remuneration rates are much higher than the typically charged rates by consultants in similar contracts or the professional practice. If after the negotiations, the price is still considered too high, MESPT may terminate the negotiation and invite the next ranked Consultant to open its financial proposal and negotiate the contract.
- 35.4. In the case of a *Time-Based contract*, negotiation of unit rates may take place, especially when the offered Key Experts and Non-Key Experts' remuneration rates are much higher than the typically charged rates by consultants in similar contracts. If after the negotiations, the price is still considered too high, MESPT may terminate the negotiation and invite the next ranked Consultant for negotiations.
- 35.5. Where SSS method was used as indicated in the RFP, both the unit rates and total price shall be negotiated. If the negotiations fail, MESPT shall terminate the Consultant selection process. In that event, MESPT shall review the consultancy requirements and market conditions prior to deciding to use an appropriate selection method to again procure the consulting services.

#### **36. Conclusion of Negotiations**

- 36.1. The negotiations are concluded with a review of the finalized draft Contract, which then shall be initialed by the Chief Executive Officer and the Consultant's authorized representative and minutes prepared to record the outcome of the negotiations.

36.2. If the negotiations fail, MESPT shall inform the Consultant in writing of all pending issues and disagreements and provide a final opportunity to the Consultant to respond. If disagreement persists, MESPT shall terminate the negotiations informing the Consultant of the reasons for doing so. MESPT will invite the next-ranked Consultant to negotiate a Contract. Once MESPT commences negotiations with the next-ranked Consultant, MESPT shall not reopen the earlier negotiations.

### **37. Signing of Contract**
